Product: Indian Egg

India is one of the leading producers and exporters of fresh white and brown shell eggs. Export-quality eggs are sourced from certified layer farms that follow strict hygiene and biosecurity standards.

- Grade: A / Export Standard
- Type: White & Brown Shell Eggs
- Sizes: Medium (50–55g), Large (55–60g), Extra Large (60–65g)
- Packaging: 30 eggs per tray × 12 trays per master carton (360 eggs per carton)
- Shelf Life: 90 days from production when stored at 5–10°C
- Quality Assurance: ISO, HACCP, APEDA certified farms
- Origin: India

Fresh, nutritious, and rich in protein, Indian eggs are preferred worldwide for their consistent quality, clean shells, and excellent shelf life.

Product: Indian Mutton

India is one of the world's leading exporters of frozen and chilled mutton and goat meat, known for its high quality, halal-certified, and hygienically processed products.

- ✓ Source: Healthy, grass-fed sheep and goats raised in natural environments.
- ✓ Processing: Export-grade abattoirs approved by APEDA (Agricultural and Processed Food Products Export Development Authority) and certified for ISO, HACCP, and Halal standards.
- ✓ Product Forms: Frozen boneless mutton, carcass, cubes, and cuts vacuum-packed for long shelf life.
- ✓ Hygiene: Strict veterinary supervision and cold chain maintenance from slaughter to export.

Indian mutton is valued for its tenderness, rich flavor, and competitive export pricing.

Product: Indian Beef

🇮🇳 Product Type: Buffalo meat (carabeef) – India does not export cow beef due to legal restrictions.

🏭 Quality Standards: Processed in APEDA-approved, FSSAI-certified, and ISO/HACCP-compliant abattoirs ensuring hygienic, export-grade quality.

❄️ Processing & Packaging: Vacuum-packed or frozen at -18°C to -25°C to maintain freshness and long shelf life.

📄 Product Varieties: Boneless buffalo meat, forequarter, hindquarter cuts, silver side, topside, rump steak, and shin/shank.

🐄 Key Features:

- o Lean, high in protein, and low in cholesterol
- o Halal-certified
- o Tender texture and rich flavor suitable for multiple cuisines

Product: Indian Rice

India is one of the world's largest producers and exporters of rice, known for its rich aroma, taste, and superior grain quality. The country exports both Basmati and Non-Basmati varieties.

- **Basmati Rice:** Long-grain, aromatic, and fluffy when cooked. Grown mainly in northern states like Punjab, Haryana, and Uttar Pradesh. Popular varieties include 1121, 1509, Pusa Basmati, and Traditional Basmati.
- **Non-Basmati Rice:** Includes medium and short-grain types such as Sona Masoori, IR64, Ponni, and Parboiled Rice. Widely used in everyday meals and industrial food processing.
- **Quality Standards:** Export rice is graded based on grain length, purity, aroma, moisture content ($\leq 13\%$), and minimal broken percentage.
- **Packaging:** Typically available in 5kg, 10kg, 25kg, and 50kg PP or jute bags with moisture-proof lining.

Product: Indian Frozen French Fries

India produces high-quality frozen French fries using premium processing-grade potatoes such as Innovator and Russet Burbank.

- Product Type: Straight-cut, crinkle-cut, and coated fries. 6 mm and 9 mm
- Processing: Washed, blanched, par-fried, and IQF (Individually Quick Frozen) to preserve texture and taste.
- Quality Standards: Processed under HACCP, ISO, and FSSAI standards with strict temperature control (-18°C or below).
- Packaging: Typically packed in 400g, 1kg, and 2.5kg laminated pouches or bulk cartons for food service.

Product: Indian Frozen Prawns

India is a leading global exporter of frozen prawns, known for their freshness, taste, and high processing standards.

- Major Varieties: Vannamei (Whiteleg Shrimp) and Black Tiger (*Penaeus monodon*) are the most exported types.
- Processing Types: Individually Quick Frozen (IQF), Block Frozen, Head-on/Headless, Peeled & Deveined, Tail-on/Tail-off.
- Quality Standards: Processed in EU & USFDA-approved facilities under strict hygiene, HACCP, and ISO standards. Maintained at -18°C to -25°C for freshness.
- Packaging: Available in 500g to 2kg vacuum-sealed or retail packs, bulk master cartons for export.

Product: Brazil Sugar ICUMSA 45

Brazil is the world's largest exporter of refined white sugar (ICUMSA 45), known for its high purity and quality.

- Type: Refined white cane sugar, ICUMSA 45 grade (very fine, sparkling white).
- Purity: 99.8% minimum polarization; moisture \leq 0.04%.
- Ash Content: \leq 0.04%; Sulphur-free and suitable for human consumption.
- Quality Standards: Meets EEC, NFS, and ICUMSA specifications.
- Packaging: Exported in 50kg new polypropylene bags or as per buyer requirement.

Product: Brazil Frozen Chicken

Brazil is one of the world's top exporters of frozen chicken, known for its high-quality meat and strict processing standards.

- Product Types: Whole chicken, cut parts (breast, drumstick, thigh, wings), IQF chicken pieces, skin-on/skinless.
- Processing Standards: Produced in EU, USDA, and HACCP-certified facilities under strict hygiene and cold-chain protocols.
- Storage & Quality: Maintained at -18°C or below to preserve freshness, texture, and taste.
- Packaging: Available in 10kg, 15kg, or 20kg cartons, vacuum-packed or bulk frozen, customized as per buyer requirements.

Product: Colombian ICUMSA 45 Sugar

Colombia produces high-quality refined white sugar (ICUMSA 45), suitable for direct consumption and industrial use.

- Type: Refined white cane sugar, ICUMSA 45 grade (bright white, fine crystals).
- Purity: Minimum 99.8% sucrose; moisture \leq 0.04%; low ash content.
- Quality Standards: Produced under ISO & HACCP-certified facilities, meeting international specifications.
- Packaging: Typically in 50kg polypropylene bags or as per buyer requirements.

Product: Colombian Frozen Chicken

Colombia is known for high-quality frozen chicken, produced under strict hygiene and food safety standards.

- Product Types: Whole chicken, chicken parts (breast, drumstick, thigh, wings), IQF pieces, skin-on/skinless.
- Processing Standards: Produced in HACCP and ISO-certified facilities with controlled cold chain management.
- Storage & Quality: Maintained at -18°C or below to ensure freshness, texture, and taste.
- Packaging: Typically packed in 10kg, 15kg, or 20kg cartons, vacuum-sealed or bulk frozen as per buyer requirements.

Product: UAE Premium Fresh Chicken

UAE Premium Fresh Chicken – Farm Produced in Ajban, UAE

Our own farm produces premium fresh chicken with superior quality, taste, and hygiene.

- Product Types: Whole chicken and cut parts (breast, drumstick, thigh, wings), skin-on/skinless.
- Quality Standards: Farm-to-table production under HACCP & FSSC 22000 certified practices, ensuring premium freshness and safety.
- Freshness & Handling: Maintained at 0°C to 4°C, delivered directly from our farm to retail, hospitality, and food service outlets.
- Packaging: Hygienically packed in trays or vacuum-sealed bags; bulk options available for restaurants and catering.
